**REPORT OF THE SUPERINTENDENT OF SCHOOLS****1969 - 1970**

I herewith submit my fifth annual report for the Benton School District.

Last year the pupil enrollment of Benton students attending school in the Haverhill Cooperative School District was thirty-one. For 1970-71 we estimate our student population to grow to an enrollment of thirty-nine students. In the future high school graduates should offset new elementary school children thus keeping our tuition increases at a minimum.

Tuition charges are becoming a burden on sending districts and in Benton this represents a major share of the school budget.

May I take this opportunity to thank the Benton School Board and taxpayers for their fine support during the past year.

Sincerely,

NORMAN H. MULLEN  
Superintendent of Schools

## SUPERVISORY UNION #23

### REPORT OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #23, during 1969-1970, will receive a salary of \$16,000.00, which is made up as follows: \$3,000.00 to be paid by the State Department of Education and \$13,000.00 prorated among the several school districts. Allowance of \$1,500.00 for travel within the Union is also prorated as stated above.

The table below shows the proration of salary and travel to each school district:
